EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a blanket authorization filed by applicant on 2/18/2005.

The application has been amended as follows:

Applicant, a pro se, has made several mistakes in labeling the claims to be amended. These errors are overlooked by the examiner in view of the pro se status as follows:

Claims 1-13 are canceled;

The term "and thickness" has been deleted from claim 1, line 5, deemed unnecessary to allowance;

The fourth and fifth paragraphs have been added to claim 14 without underlining per Rule 121;

The term "in claim 14" has been deleted from claim 18 without bracketing;

The term "removing the bra or halter and" has been deleted from claim 18 without bracketing, deemed unnecessary to allowance.

The following changes to the claims are made by the examiner under the blanket authority given in the paper of 2/18/2005:

Claim 14, line 9, --the-- is inserted before "at least";

Claim 15, line 2, "a halter" is changed to --the halter--.
